TRAINING FOR PARENTS OF PERSONS WITH DISABILITY BY AĞENZIJA SAPPORT

Ağenzija Sapport, through the INK project, will be conducting a number of training sessions for parents and guardians of persons with disability.

During these training sessions a number of issues and benefits of independent living for persons with disability and their families will be tackled. Other topics discussed will be aspects of communication, stress and burnout, and information on how parents and guardians can better assist the person with disability to enter the workforce.

The duration of this training is only 6 hours, split between 2 sessions of 3 hours each. A certificate of attendance will be given to those who attend both sessions. These sessions are free of charge.

Two courses will be available. One can choose from the following dates: either Tuesday 11th June and Thursday 13th June or Monday 17th June and Wednesday 19th June. Every session is held between 4pm – 7pm at Ağenzija Sapport premises, Professional Development Centre, Carob Street, Santa Venera (next to St Philip's Hospital).

We encourage parents and guardians of persons with disability to enroll by sending an email on eu.sapport@gov.mt or by phoning 2256 8000 and ask for INK project.

The INK project, in short for inclusion, is aimed at assisting persons with disability to enter the workforce. This project is administered by Ağenzija Sapport and co-financed from the European Union through the European Social Funds 2014-2020.

More information regarding this project can be attained from our Facebook Page – INK Project Malta, or from Ağenzija Sapport's website, www.sapport.gov.mt.
